Join the Friends of Pinney Library

The Friends of Pinney Library is a group of volunteers dedicated to supporting the mission of Pinney Library. The Friends is a non-profit organization. Our mission is to advocate for Pinney and to raise funds for special projects and collections. We sort, organize, and sell donated and withdrawn materials through 4-5 book sales per year and work with local businesses that sponsor fundraising activities.

And we celebrate and recognize the amazing Pinney staff.

What do members get? A good feeling from helping our library thrive!
